el virus del gato ya me trate ese problemita, pero no se me interesa saber lo que usted me pueda recomendar... ya

in other energy trading, heating oil fell a penny to 1.13 a gallon, wholesale gasoline fell 5 cents to 1.22 a gallon and natural gas jumped 14 cents to 1.91 per 1,000 cubic feet.

beneath you, what does that mean? who are you, some kind of privileged elite who is owed a certain
